

Agenda for Dr. Ronald W. Dudek's Visit to Chinese Universities

(May 20, 2005-May 30, 2005)

By Wan-Xi Yang

May 20 (Friday)

8:45pm Arrival at Shanghai Pudong International Airport.

Airport pick up by Wan-Xi Yang

Check in local hotel at Pudong area.

9:30 pm Discuss with Wan-Xi about the establishment of modern histological lab.

May 21 (Saturday)

Morning: Continue the discussion

Afternoon: Go to Hangzhou by train. *On the train, discuss with Wan-Xi about the preparation of histology class.*

Late afternoon, check in Shennong Hotel which locates at Huajiachi campus, Zhejiang University

Evening: Meet professors of College of Life Sciences, talk about the biological educational situation in USA

May 22 (Sunday)

Morning: Preparation of Histology class, show Wan-Xi how to do the preparation.

Afternoon, go to Yuquan Campus of Zhejiang University, which is located beside the West Lake. Will visit the related labs. Accompanied by Wan-Xi and **Liu Yang**

May 23 (Monday)

Morning and afternoon: Preparing for Histology lecture : totally three chapters, cartilage, bone and blood. Work together with Wan-Xi.

Night time(6:30-9:30): Lecture for college students (about 100 students)

May 24 (Tuesday)

Morning: Visit Zhejiang University campus (Huajiachi and Xixi campus), including labs in Huajiachi campus and meet the PIs of related labs. Accompanied by Liu Yang.

Afternoon: Seminar at Zijingang Campus; Location: the 5th floor of Biological Building.
Seminar title: Development and Transplantation of Pancreatic Islets

Evening: Attending the Welcome Party organized by College of Life Sciences, Zhejiang University. (Meet the Dean of College of Life Sciences, the Chairman of Biological Sciences and related professors at the party)

May 25 (Wednesday)

Morning: Go to Zijingang Campus, talk with college students about the graduate education in East Carolina University.

Afternoon: Go to the West Lake. Accompanied by Wan-Xi and Liu Yang

May 26 (Thursday)

Morning: rest/get ready to go to Ningbo University.

Afternoon: go to Ningbo University (invited by Prof. Tai-Wu Li, the Dean of College of Life Sciences, Ningbo University and Associate Professor Jun-Quan Zhu of Ningbo University), check in local hotel at Ningbo City.
Accompanied by Wan-Xi Yang

May 27 (Friday)

Morning 9:00am Meet the leaders of Ningbo University and the dean and professors of College of Life Sciences, Ningbo University.

10:30am Seminar

Title: Development and Transplantation of Pancreatic Islets

Afternoon: Visit Ningbo University campus, labs.

May 28 (Saturday)

Morning: Mini forum, topic: The graduate education in USA and East Carolina University.

Afternoon: Go to Ningbo Downtown, visit modern Ningbo City.

May 29 (Sunday)

Morning: Go to Shanghai by express bus, check in hotel at Pudong.

Afternoon: Meet Professor Yun-Long Zhao from East China University, talk about histological and cell biological teaching and research.

May 30 (Monday)

Leave for USA. The end of the visit to Chinese universities.
